Sasi Institute of Technology and Engineering, Tadepalligudem sponsored by Sasi Educational Society, is the Private Engineering College in the combined state of Andhra Pradesh established in the year 2002 and is ideally located in a vast expanse of 29 acres of land in Tadepalligudem on Chennai –Kolkatta (NH-16) highway. The college is recognized by AICTE and affiliated to JNTUK, Kakinada. UGC granted autonomous status to the college in the year December, 2017.

The Institution has its own MIS to manage general administration, autonomous system, examinations, student attendance and continuous evaluation process. The college has a well-marked administrative set up in tune with the college vision and mission. The Vision and Mission statement defines the institute's distinctive characteristics in terms of addressing the needs of stake holders it seeks to serve by.

The involvement of Leadership is achieved through well-defined systems and organizational structure consistent with norms of the AICTE and UGC. Teachers play a pro-active role in the academic and administrative activities of the institution.

The Internal Quality Assurance Cell (IQAC) of Sasi Institute of Technology and Engineering was established on 6<sup>th</sup> March, 2014. From the date of inception, the IQAC is making continuous efforts to maintain quality education as well as taken up various quality initiatives for the overall development of the institution.

The college has secured AAA Rank in Campus 360<sup>0</sup> India rankings 2019 in Engineering category.

The Annual Quality Assurance Report for the year 2017-2018 was submitted to NAAC in 2019. The overall performance of the institution with respect to various quality aspects is satisfactory and appreciable. Some of the key parameters with respect to the performance of the institution under various heads for the academic year 2018 - 2019 are as follows:

## CURRICULAR ASPECTS

S.No	Criterion	Rating		
		Very good	Good	Satisfactory
1	Quality of vision and mission statements	√		
2	Implementation of choice-based credit system (CBCS)	√		
3	Adequacy of courses having focus on employability/ entrepreneurship/ skill development	√		
4	Evidence of procedures for framing POs, PSOs and their adequacy	√		
5	Evidence of attainment of Pos, PSOs against set targets		√	
6	Evidence for framing of COs and their attainment against set targets		√	
7	Evidence for structured feedback system	√		
8	Evidence for NBA Accreditation of UG/PG programs	√		
9	Quality of CIE and SEE question papers	√		
10	Preparation and adherence to Academic Calendar by the institution	√		
11	Implementation of examination reforms	√		

- > Autonomous Syllabus was framed for both UG & PG programs in Engineering, and MBA during the Academic Year 2018-19.
- > All the departments of institute are collecting feedback on curriculum aspects from students, teachers, employers, alumni and parents through course end survey, program exit survey, employer survey and department advisory board and is being analyzed and utilized for the overall development of the institution.

**TEACHING - LEARNING AND EVALUATION:**

S.No	Criterion	Rating		
		Very good	Good	Satisfactory
1	Curriculum developed /adopted have relevance to the local/national / regional/global developmental needs with learning objectives and, programme outcomes, programme specific outcomes and course outcomes of all programs offered by the College	√		
2	Percentage of programs where syllabus revision was carried out during the last five years.	√		
3	Average percentage of courses having focus on employability / entrepreneurship / skill development	√		
4	Percentage of new courses introduced of the total number of courses across all programs offered during the last five years	√		
5	Percentage of programs in which Choice Based Credit System (CBCS)/elective course system has been implemented	√		
6	Institution integrates cross cutting issues relevant to Gender, Environment and Sustainability, Human Values and Professional ethics into the curriculum	√		
7	Number of value-added courses imparting transferable and life skills offered during the last five years certificate programs		√	
8	Percentage of students undertaking field projects / internships		√	
9	Structured feedback is received from 1) Students 2) Teachers 3) Employers 4) Alumni 5) Parents for design and review of syllabus Semester wise /year wise		√	
10	Feedback processes of the institution may be classified as follows: A. A.Feedback not collected B. Feedback collected C. Feedback collected and analysed D. D.Feedback collected, analysed and action has been taken E. Feedback collected, analysed and action taken and feedback available on website	√		
11	The institution assesses the learning levels of the students, after admission and organises special programmes for advanced learners and slow learners.	√		
12	Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences		√	
13	Average percentage of teachers using ICT for effective teaching at present – Learning Management Systems, E-learning resources etc.			√
14	Ratio of mentor to students for academic and stress related issues Data Requirement: Number of students assigned to each Mentor		√	
15	Average number of days from the date of last semester-end/ year-end examination till the declaration of results during the	√		

	last five years			
16	Average percentage of student complaints/grievances about evaluation against total number appeared in the examinations during the last five years	√		
17	Average percentage of applications for reevaluation leading to change in marks		√	
18	Positive impact of reforms on the examination procedures and processes including IT integration and continuous internal assessment on the examination management system	√		
19	Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed on website and communicated to teachers and students.	√		
20	Attainment of program outcomes, program specific outcomes and course outcomes are evaluated by the institution		√	
21	Average pass percentage of students	√		
22	Online student satisfaction survey regarding teaching learning process			
23	E-content is developed by teachers: 1. For e-PG-Pathshala, 2. For CEC (Under Graduate) 3. For SWAYAM, 4. For other MOOCs platform, 5. For NPTEL/NMEICT/any other Government initiative 6.For institutional LMS	√		
24	Number of capability enhancement and development schemes –1.Guidance for competitive examinations, 2.Career Counselling, 3.Soft skill development, 4.Remedial coaching, 5.Language lab, 6.Bridge courses 7.Yoga and Meditation 8.Personal Counselling	√		
25	Average percentage of students qualifying in state/ national/ international level examinations during the last five years (eg: NET/SLET/GATE/GMAT/CAT, GRE/TOFEL/Civil Services/State government examinations)	√		
26	The institution offers a course on Human Values and professional ethics		√	

> 640 students are admitted against a sanctioned intake of 780 during the year. The institution is presently having 76 ICT classrooms for the benefit of students.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT:

S.No	Criterion	Rating		
		Very good	Good	Satisfactory
1	Functioning of academic bodies as per UGC guidelines (Governing Council, Academic Council, Standing Committee and Board of Studies etc.)	√		
2	Evidence of Minutes of the Boards of Studies/ Academic Council meetings etc.	√		
3	Functioning of IQAC	√		
4	Implementation of ISO			√
5	Institution has Performance Appraisal System for teaching and non-teaching staff	√		
6	Internal & External financial audit	√		

>The institution is effectively implementing e-governance in various areas of operations as follows:

### ■ Planning and Development:

Institute has MIS operational modules CMS Software Tool and Tally accounting software to manage general administration, autonomous system, student attendance, continuous evaluation process and online student feedback for faculty. NGL software has been used for the management of library related activities. In view of COVID-19, online classes are being arranged along with off line classes for all programs, using Zoom, Google meet etc. As part of ICT, digital boards in all departments, emails, whatsapp are in practice.

### ■ Administration:

The College operates in both vertical and horizontal directions. Heads of the departments disburse the information by conducting the faculty meetings/ through email/ SMS to the stakeholders - staff, students and their parents. Each programme is managed by a programme coordinator who works under the HOD. Biometric Attendance is used to generate various reports such as Biometric Attendance Report-Department wise and faculty wise. E-notice Board is used for display of messages/ circulars and notices to faculty and students.

### > Examinations

Autonomous Section is headed by Controller of Examinations and is assisted by a Assistant Controllers of Examinations. Barcoding and automation process is in practice for the examination to avoid manual involvement to maintain more confidentiality All the monetary transactions (both the receipts and payments) are processed .

> In order to maintain and improve Internal Quality, Academic and Administrative Audit has been carried out by Internal and External Agencies regularly.

## INSTITUTIONAL VALUES AND BEST PRACTICES:

S.No	Criterion	Rating		
		Very good	Good	Satisfactory
1	Adequacy of MoUs signed with institutions /industries		√	
2	Adequacy of Gender equity promotion programs organized by the institution	√		
3	Annual power requirement of the Institution met by the renewable energy sources	√		
4	Waste Management	√		
5	Rain water harvesting structures and utilization in the campus	√		
6	Green Practices	√		
7	Differently abled Friendliness Resources in the institution	√		
8	Industry - Institute interaction		√	
9	Institutional best practices	√		

> For the promotion of Universal Values and Ethics several programmes are organized by the institution during 2019-2020.

> **Eco-friendly Campus:**

- Plastic Free Campus
- Increase in Plantation & greenery area
- Rainwater harvesting
- Environmental Audit

**Best Practices of the Institution:**

Even though the college has quite a number of best practices, five of them, PBAS, Technical model development, Academic Audit and usage of MOODLE deserve special mention. There is a growing need for higher educational institutions to be more accountable to the expectations of Stakeholders. They have largely contributed to the achievement of the institutional goals as well as to the quality improvement of the activities. Among the five, the two best practices of the institution are as follows:

1. **Performance Based Appraisal System (PBAS)** is an open, formal, and systematic procedure designed to assist both employer and employees in planning, managing, evaluating and realizing performance improvement in organization with an aim of achieving organizational goals.
2. **Technical Model Development:** The students of SITE are encouraged to transform their innovative ideas into technical models and exhibit in Engineers day /Innovation day celebrations organized in the institute annually. The identified best models are promoted to exhibit in the events organized by prominent outside institutions / organizations at national level.

**Institutional distinctiveness:**

The thrust areas focused to achieve 'VISION' are

- Outcome based education
- Training of faculty and students in advanced Technologies through Collaborative laboratories
- Projects on society relevant problems.

**Significant contributions made by IQAC during the current year:**

1. Provision of free access to COURSERA MOOCs platform for students and faculty to upgrade their skills during the lockdown period was initiated and succeeded in getting fruitful results.
2. Up gradation of College Website for better visibility
3. Paper setting for online exams to ensure quality

4. Abnormal increase in PhD registration and Ph.D's obtained  
Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and Outcome achieved by the end of the academic year

**FUTURE PLAN OF ACTION FOR THE NEXT ACADEMIC YEAR:**

The Institute consistently striving to impart Quality Education by updating Plan of action to meet industry and societal requirements. The plan of action is as follows:

- **To acquire best National Institutional Ranking Framework (NIRF) ranking.**
- **Better rank in ARIIA - Atal Ranking of Institutions on Innovation Achievements**
- **Alumni identification and their diplomatic involvement for R & D and consultancy:** One of the major assets of the Institution is Alumni, which spread across the world at various prominent positions, from 2002. It is decided to utilize their services in a diplomatic way in Research funding, consultancy, Incubations, Startups, etc., by identifying the appropriate alumni.
- **Innovations, Incubation, Start-ups:** These are becoming a part and parcel of Higher Education. Therefore, IQAC felt the necessity of a dialog to exchange ideas with all stakeholders to promote the Incubation centers and Startups in the campus.
- **Review on further growth of faculty pursuing PhD, new PhD registrations and quality publications:** As of today, the percentage of faculty with PhD qualification is reached to 40. To reach the targets of the institution, the IQAC is proposed to review the faculty who are pursuing their PhD along with new PhD registrations. In addition, the publications are also reviewed for the improvement of their quality.

**Concluding Remarks:**

- > It is observed that SITE has been maintaining good academic standards in Curriculum, Teaching- Learning and Evaluation, Research and Consultancy, setting up of advanced laboratories involving industry for effective Institute Industry interaction, declaration of results etc.
- > There is a considerable improvement in all the key performance indicators measured by the National Bodies.
