### Resolutions:-

1) The chairman of the council introduced all the members to the council and asked the Member Secretary to proceed further. After the introduction of members, all the council members of the meeting reviewed the implementation of the resolutions made in the previous meeting and expressed satisfaction.

2) The Member Secretary has explained about the syllabi of II and III B.Tech of SITE 2018 Regulations. Dr. P.V. Subbiah opined, there need not be an external exam for Non-credit course. The council members agreed to proceed with the existing procedure.

\* Dr. HM Raja Sekhara Swamy suggested to interchange the subjects of Engineering Geology & fluid Mechanics (both theory & practicals) of civil Engineering. Hydraulic Engineering of IV semester has been asked to shift to V semester.

\* All the members have approved the syllabi of II & III B.Tech of SITE 2018 Regulations.

\* Environmental Engineering theory & laboratory of V semester has been asked to shift to the IV semester of civil Engineering department.

3) The Member Secretary has shown the statistics of first semester result of B.Tech., MBA and M.Tech. of SITE 2018 Regulation. The Members noted the improvement in results with appreciation and enquired the probable reasons for the same.

It is resolved to maintain quality of paper setting & Evaluation by inviting the question papers from premier institutes like NIT, IIT etc... with BLOOMS taxonomy.

The Members approved the first semester results of B.Tech., M.Tech. and MBA of SITE 2018 Regulation.

4) The Member Secretary has explained about the Board of Studies Members of all the programs in the institute under Autonomous status.

The Members of the Academic Council have approved the list of Board of Studies members of all the programs.

5) Dr. R. Srinivasa Rao, Director of Evaluation suggested to incorporate electives which will increase the job potential of the students in other disciplines.

The Meeting concluded with vote of thanks by chairman of the Academic council.
